

Headshots I Hour Session

This versatile **1-hour headshot session** provides flexibility in terms of location. You can choose to have your session in studio Lakeland FL, onsite at your office, home, or any preferred location, making it ideal for real estate sessions.

The images captured during this session are not only perfect for personal use but also serve as valuable additional branding assets for your business. Feel free to bring as many outfits as you like to add variety and showcase different looks during the session.

Included in the package is one professionally retouched photo that can be used for your professional use and marketing purposes. Additionally, you will receive four hand-edited high-resolution images delivered via digital download. These images are meticulously edited and corrected for white balance, ensuring a polished and professional result. They are also enhanced with art rendering techniques, adding an extra touch of artistic flair. Your furnished images will be delivered within 1-2 weeks after your proof selection, allowing you to start utilizing your beautiful photographs in a timely manner.

I am dedicated to providing you with an exceptional photography experience and creating imagery that reflects your unique style and branding.

30 Minute Session

During your **30 minute headshot session**, we will create a dynamic and versatile portfolio by utilizing different color backdrops and exploring various facial expressions. Our goal is to capture the specific tone and vibe you desire for your photos. Feel free to bring as many outfits as you'd like to add variety and style to your session.

Included in the session is one professionally retouched photo, tailored for your professional use and marketing needs. You will also have access to all the images we capture during the session. If you wish to have additional images retouched, they can be purchased for \$100 per image. **Please note that images not retouched may not be used without prior consent or usage fee.**

The images I provide to you are meant for review and selection purposes only. Only the finalized, re-touched images are to be used for your marketing endeavors. Your furnished images will be delivered within 3-4 business days of your proof selection, ensuring a timely delivery of your polished and professional photographs.

I am committed to providing you with a seamless and rewarding headshot experience.

Brand Session

Calling all businesses and entrepreneurs in need of a comprehensive library of captivating image content for your social media, website, print media, and business listings! Our tailored package is designed to fulfill your visual branding needs. Here's what I offer:

I will travel to your business location, capturing a wide range of essential visuals to showcase your brand.

Brand Session (continued)

This includes professional headshots, engaging day-in-the-life shots, lifestyle product images, as well as captivating exterior and interior photographs of your business.

During the **2-hour session**, I will be on-site, diligently capturing the essence of your business and its unique offerings. We understand the importance of highlighting the details that make your brand stand out.

Upon completion, you will receive a library of lightly edited images that are ready to be utilized across your social media platforms, business listings, website, and print media. These images will effectively represent your brand and help you create a visually cohesive and compelling presence in your market.

We are committed to providing you with top-quality visual content that aligns with your business objectives.
